**Consignment Agreement**

Welcome! We're pleased that you want to become a part of our shop. Here's how it works:

When you bring your items in, we will select what our customers will buy. Sometimes there will be items we cannot consign. Please understand that our customer's preferences must be our selection guidelines. Pick up any items that CANNOT be consigned within 2 weeks or they will be donated.

You will receive 50% of the selling price. A .50-\$1.00 item fee is added to the price of each item and charged to the buyer. Stop in for any money owed you any time.

If steaming is required, there will be a .25 cent charge per item. Bringing items in on hangers alleviates this charge.

We will display your items for 90 days (furniture at 180 days), and have the right to offer these items on sale at any point.

If you would like to retrieve any unsold items please do so by the 90<sup>th</sup> day, if not the remaining unsold items become the property of Favorite Finds and may be donated or sold at clearance. Consignors are responsible for picking up their items from the racks.

We will do our best to safeguard your items, but we are not responsible for damage or loss.

We look forward to a long and mutually profitable association with you. After all, we couldn't do it without you, our partner in consigning!

I have read the above terms and agree with them.
